

CULTIVATING BODY APPRECIATION IN AN UNJUST WORLD

LINDA BACON, PHD

LOCATION: MUDD 26

**WEDNESDAY
FEBRUARY 28TH
6-7:30PM**

**CELEBRATE NATIONAL
EATING DISORDERS
AWARENESS WEEK**

Dr. Linda Bacon is fostering a global transformation to a more just world, where all bodies are valued, respected, and supported in compassionate self-care. Best known for her paradigm-shifting research and advocacy upending the weight discourse, Bacon's inspiring message takes us beyond size, to shaping a culture of empathy, equity and true belonging.
